Brief about Study in India

A rising economic power, a global leader in Information Technology, a thriving innovation ecosystem, colleges that have pioneered engineering education, a diverse mixture of cultures it is an exciting time to be a student in India. The Indian Education system is the world's third largest higher education system, covering premier Government and private institutes with a network of ~38000 colleges and ~800 universities.

Education is emerging to be one of the top service opportunities in India. Government of India, (Ministry of HRD and MEA) have launched a mega campaign called **"Study in India"** and website **"www.studyinindia.gov.in"** on 18th April 2018 to encourage international students to come and study in India. **Study in India**, is a unique initiative of the Government of India will help facilitate the student fraternity from all across the globe to come and experience the best of academic learning from the top institutions in India.

Higher institutions in India offers degrees that are competitive in the world market in terms of quality but are delivered at ~1/4th the cost hence guaranteeing value for money. India offers quality education and research, and students will earn internationally renowned degree. Students will have a range of courses to choose from such as latest advancements of science and technology like Virtual and Augmented Reality, Artificial Intelligence and Cognitive Computing to traditional subjects, such as Ayurveda, yoga, buddhism & classical dance.

Under the umbrella of Study in India selected 100+ high quality educational institutes from public, private and deemed universities are offering an array of options including courses ranging from engineering, management, photonics to sciences, commerce & humanities. The Government of India, under the aegis of the Ministry of Human Resource Development (MHRD), is inviting aspiring candidates from all over the world to pursue education in desired field from the top ranked institutions in India (as per the National Assessment and Accreditation Council (NAAC) and the National Institutional Ranking Framework (NIRF).

Bangladeshi Students via Study in India

We have a robust portal **www.studyinindia.gov.in**, the one stop solution is catering to the needs of international students willing to purse a course of their choice in India. All the institutes participating with Study in India can be viewed here: **https://www.studyinindia.gov.in/InstituteSearch**. And the students can apply to all these institutes at: https://www.studyinindia.gov.in/admission/Registrations https://www.studyinindia.gov.in/admission/login

Study in India is offering approximately 25,000+ seats with more than 9500+ fee waivers and scholarships to around 2000 applicants for the current academic year 2020-21.

We are happy to inform you that SII have closed the counselling process for the academic year of 2019-20 via Study in India now. The coming Academic year of 2020-21 would be the 3rd year of operation of the Study in India initiative. SII received a very good response from the students of Bangladesh for the year 2018-19 and 2019-20.

For the academic year of 2019-20, Study in India also distributed **SII Scholarships** worth 2.5 Lakh per meritorious Student per year to the top 250 Applicants of Bangladesh, who applied to Indian Institutes via our Portal **www.studyinindia.gov.in**. Many other Tuition Fee Waived seats of 100% Tuition Fee Waiver, 50% Tuition Fee Waiver and 25% Tuition Fee Waiver seats were also awarded to the Bangladeshi Students as per their Merit.

We had got more than 1650+ registrations from Bangladesh Itself for the Academic year of 2019-20, and rolled out Admission Letters to around 1000+ Applicants.

Many of the Bangladeshi students have landed in some of the prestigious institutes of India like:

- NIT Meghalaya
- NIT Silchar
- Osmania University
- Andhra University
- Jain University
- KIIT University
- Punjab Agricultural University
- Marwadi University
- Pandit Deendayal Petroleum University
- IIT BHU
- IIT Bombay
- TISS
- IISER Kolkata and **Many more...**

Being Government of India initiative, the process of Student Visa is fast tracked for the applicants of Study in India. Our team sends the details of students selected to the top Indian Institutes to the Indian Embassy in Bangladesh, and get their Visa processed on Priority.
