Stipendium Hungaricum Programme থেকে প্রেরিত পত্রের গুরুত্বপূর্ণ অংশের উদ্ধৃতি নিম্নে দেওয়া হলো:

“Hereby we would like to kindly remind you about the essential steps leading to the launch of the visa application process of the scholarship holders:

- First, the applicants are required to accept the scholarship offer in the online application system and afterwards the Hungarian host institution issues a “Decision of Admission” document for the visa application process.
- Conditional applicants must submit their missing documents first in order to be able to continue the process. Applicants with a conditional status can only proceed to the acceptance of their scholarship once they have successfully uploaded all of their missing documents and these are approved by the host universities!
- Secondly, the official “Letter of Award” will be sent to them through the system and by email. The “Letter of Award” is issued by Tempus Public Foundation to certify the scholarship status. This document is also necessary for the visa process.

We would like to kindly ask you to make sure that all successful applicants do start their visa application in time. It is a key element of the process to start the next steps now, in order for the scholarship holders to be able to begin their studies in Hungary in time.

We would also like to draw your attention to the importance of the acceptance of the scholarship by the applicants in the Dream Apply online application system. In case they would be contacting you please remind them of the following information:

- Applicants are required to accept the scholarship in the online system in the next 2 weeks
- applicants, who have conditional status are required to upload the missing documents to the Dream Apply online system as soon as they receive them, even if they have sent their documents earlier to the universities via e-mail.
- Applicants have to finalize all administrative tasks mentioned above until the given deadline, 1st of August, the latest, otherwise they cannot be awarded the scholarship.

Please note that you can also review the above mentioned process in the Dream Apply system.

The successful applicants are able to start their studies in the first semester of the academic year 2019/2020. The provisions covered by the scholarship are the followings:

- Tuition-free education
 - o exemption from the payment of tuition fee
- Monthly stipend
 - O non-degree, bachelor, master and one-tier master level: monthly amount of HUF 43700 (cca EUR 130) contribution to the living expenses in Hungary, for 12 months a year, until the completion of studies
 - O doctoral level: according to the current Hungarian legislation, the monthly amount of scholarship is HUF 140 000 (cca EUR 450) for the first phase of education (4 semesters) and HUF 180 000 (cca EUR 580) for the second phase (4 semesters) – for 12 months a year, until completion of studies.
- Accommodation contribution
 - O free dormitory place or a contribution of HUF 40 000 to accommodation costs for the whole duration of the scholarship period
- Medical insurance

Students will receive the above mentioned provisions as long as they have an active student status at the allocated host institution. As mentioned, before, the scholarship holders will also receive information about these details and obligations by e-mail”.
